Education and Training

Currently **PhD student** at University of Insubria in Varese (Italy) with the **project** “Assessing the impact of human activities on wildlife in Myanmar tropical forests using emerging technologies” (supervisors A. Martinoli).

Collaboration with University of Arizona (21March – 21June 2018) during my PhD between Tucson (AZ) and field work in Colombia (National Park of Chingaza).

January 2017: **Master’s degree** in **Ecobiology (110/110 cum laude)** at the University of Study “La Sapienza” in Rome (Italy) with the **thesis** “Application of Arena test to evaluate personality in Eurasian red squirrel (*Sciurus vulgaris* L.1758)” (supervisors L.Boitani and A.Martinoli).

Practical training period at “University of Study of Insubria” (Varese, Italy) from 02/05/2016 to 16/12/2016 with the aim to study the eco-ethology of the Eurasian red squirrel (*Sciurus vulgaris* L.1758).

Academic year 2012-2013: **Bachelor’s degree** in **Natural Sciences** at the University of Study “La Sapienza” in Rome (Italy) with the **thesis** “Identification of an alien species (*Callosciurus* sp.) (Rodentia, Sciuridae) by comparison with museum’s material” (supervisors M.Cobolli and G.Amori).

Academic year 2009/2010: **High school** leaving qualification in **classical** studies at school “Cornelio Tacito” in Rome (Italy).

Personal skills and Competence

Mother language Italian

Other language English Understanding level: Good Writing level: Good Speaking level: Good

Certificate “Upper Intermediate” (**B2**) in English achieved at school EC San Francisco (28/03/2014)

Informatic Good knowledge of standard Microsoft Office software

Basic knowledge of the statistical software R (R Core Team, 2017)

Basic knowledge of the open-source cross-platform desktop geographic information system QGIS

Driving licence

Professionals skills and experiences

Author of a **poster** entitled “Putting the Sun bear out of the shade: a preliminary survey to appraise Myanmar people's perception of *Helarctos malayanus* in Rakhine” presented at 5th International Human-Bear Conflicts Workshop (Gatlinburg, Tennessee) in 2018

Author of an **oral presentation** entitled “Not just a matter of personality: Arena test and the measure of individual variation in personality traits” presented at III National congress of small mammals (GPM) in Colle Val d'Elsa (SI, Italy) in 2017.

Coauthor of the updated **checklist** of Bird and Mammals of Lampi Marine National Park (Myanmar), December 2017

Coauthor of a **paper** entitled “Preventing species invasion: a role for integrative taxonomy?” published in Integrative Zoology 11(3) May 2016”.

Coauthor of an **oral presentation** entitled “Integrative taxonomy and bioinvasions: a useful approach to identify and manage new sciurids in Europe” presented at X Italian Congress of Theriology in Acquapendente (VT, Italy) in 2016. Volume: Hystrix, The Italian Journal of Mammalogy 27 (Supplement) 2016.

Coauthor of a **poster** entitled “Integrative taxonomy at work: genetic and biometrical characterization of alien *Callosciurus* species” presented at IX Italian Congress of Theriology in CivitellaAlfedena (AQ, Italy) in 2014. Volume: Hystrix, the Italian Journal of Mammalogy 25 (Supplement) 2014.

Volunteer with NGO “Oikos Institute” for one month (May 2017) in Lampi Marine National Park (Myeik Archipelago in the Tanintharyi region of southern **Myanmar**) with the following tasks:

- Local fauna monitoring (Birds and Mammals) through use of transects, camera traps and direct counts to make a checklist of the island’s species
- Use of bioacoustic monitoring tools (hydrophone) for the dugong species (*Dugong dugon*)

Attendance at the V^a edition of **Winter School** “Winter monitoring techniques of the Alpine fauna” at the “Parco Naturale delle Prealpi Giulie” (Italy) from 23 to 27 February 2015

Volunteer at LIPU center (Italian League Birds Protection) in Rome (Italy) in 2011.

Travel experience:

Three months travel to USA (2014) (California, Nevada, Utah and Arizona)

Three months travel to South-east Asia (2017) (Myanmar, Thailand, Laos, Cambodia and Vietnam)

Two months travel in Colombia (2018)
